VOGELSSANG Technology UPDATE 2021: Vogelsang is organizing an in-house agricultural exhibition in November

- **Save the date: 17th-19th November 2020**
- **Presentation of the company's new products in liquid manure spreading and pump technology**

Essen (Oldenburg), Germany, 22th June 2020 – [Vogelsang GmbH & Co. KG](#) is presenting its new products in liquid manure spreading and pump technology at its in-house exhibition “**VOGELSSANG Technology UPDATE 2021**” in November. It is taking place in the showroom at the company's headquarters in Essen (Oldenburg). In this way the internationally operating mechanical engineering group is taking advantage of the free capacity due to the postponement of the EuroTier. “The objective of the in-house exhibition is to update our existing and prospective customers before the new liquid manure season starts”, Harald Vogelsang, Managing Director of Vogelsang, explains.

Overview of the event

Agenda: Presentation of Vogelsang's new products in liquid manure spreading and pump technology

Period of time: Tuesday – Thursday, 17th-19th November 2020

Location: Vogelsang's company headquarters, Holthoeye 10-14, 49632 Essen (Oldenburg), Germany

Details on the exhibition programme and further information will follow soon.

About Vogelsang:

Vogelsang GmbH & Co. KG develops, produces and distributes highly-engineered equipment that is easy to maintain. The head office is located in Essen (Oldenburg) in Lower Saxony. Founded in 1929 as a manufacturer of agricultural machinery, the company has grown to become a specialist in individually configurable machines for the agricultural technology, biogas, industrial, transportation, and waste water sectors. At present, the mid-sized, innovative family business employs more than 1000 people worldwide. Vogelsang ensures the highest production quality through its research, development and manufacturing operations at its location in Germany. As an international company, Vogelsang operates manufacturing centers domestically and abroad. A continuously growing network of subsidiaries and representatives allows Vogelsang to be present in more than 25 locations worldwide, in all European countries and important industrialized nations in the world.
